Anxious Thoughts & Beliefs Checklist

Check any thought that occurs often or that you strongly believe.

Name: _____ **Date:** _____

Catastrophic Worry

☐ Something dreadful might happen to my family

☐ I dread that something bad is going to happen

☐ I keep worrying about things over and over

☐ I tend to expect the worst

☐ Even when things are going well, I find something to worry about

Loss & Security

☐ I fear I may lose my job

☐ I won't be able to handle it if something bad happens

☐ I have to be prepared for the worst

☐ If I'm not in control, something bad might happen

Trust & Reassurance

☐ I don't trust people

☐ I need reassurance from others that everything is okay

☐ I don't trust myself to handle unexpected problems

☐ I can't stand not knowing what is going to happen

Avoidance & Safety

☐ I'm afraid to go outside

☐ I have to avoid things that make me anxious

☐ Avoiding frightening situations keeps me safe

☐ I need to stay near a safe place or someone who can help me

Control & Certainty

☐ I need to know what will happen before I can relax

☐ I have to anticipate every possible problem

☐ I need to be in control in order to feel safe

☐ I need complete certainty before I can move on

Panic & Physical Sensations

☐ A racing heart may mean something dangerous is happening

☐ When my body feels strange, I worry something is wrong

☐ I fear I might lose control when anxiety takes over

☐ I'm afraid of having another panic attack

Of the items you checked, which 2–3 feel most true or trouble you the most?

Checking a statement does not mean it is irrational or that it causes your anxiety — it simply helps identify thoughts worth exploring further with your counselor.
