

Life Events & Beliefs Screening

Please check anything that applies to you, past or present.

Name: _____

Date: _____

Biological

- ☐ Diagnosed with a genetic or chronic medical disorder
- ☐ Serious injury or accident
- ☐ Serious or life-threatening illness
- ☐ Currently under a doctor's care for an ongoing condition
- ☐ Taking medication that affects mood, sleep, or energy
- ☐ Family history of significant illness

If checked, briefly note the emotional/mental impact:

Psychological

- ☐ Ever diagnosed with a mental health condition
- ☐ Received counseling or therapy before
- ☐ Long-lasting fear, worry, or sadness
- ☐ A difficult or painful childhood memory that still affects you
- ☐ Difficulty controlling anger or intense emotions
- ☐ Significant anxiety
- ☐ Significant depression

If checked, briefly note the emotional/mental impact:

Interpersonal

- ☐ Parents divorced, separated, or absent
- ☐ Grew up with conflict, harsh discipline, or emotional distance
- ☐ Significant relationship loss (death, breakup, estrangement)
- ☐ History of abuse — emotional, physical, or sexual
- ☐ Current conflict or dissatisfaction in a close relationship

If checked, briefly note the emotional/mental impact:

Socioeconomic

- ☐ Significant financial hardship, past or present
- ☐ Job loss or major career disruption
- ☐ Major life-stage pressure (new parent, retirement, caregiving)
- ☐ Housing instability at any point

If checked, briefly note the emotional/mental impact:

Sociocultural

- ☐ Raised in a community with strong expectations that still weigh on you
- ☐ Experienced discrimination or exclusion because of your background
- ☐ Significant cultural or generational conflict with family

If checked, briefly note the emotional/mental impact:

Spiritual

- ☐ Raised in a religious or Christian home
- ☐ Currently feel distant from God, or experiencing a crisis of faith
- ☐ Belief that God is disappointed in or punishing you
- ☐ A church or faith community experience that hurt you

If checked, briefly note the emotional/mental impact:

Thank you — this helps your counselor understand the full picture behind what you're experiencing. Your answers are confidential within your counseling relationship.
