BIOLOGICAL/PHYSICAL FALSE BELIEF #33 · BRAIN INJURY AND MEMORY

"I'm losing my mind, and nothing can be done."

✦ ✦ ✦

Where it often comes from

Noticing memory or thinking decline is frightening, especially when family history or a diagnosis is involved. Fear and hopelessness can lead to avoiding doctors, therapy, and support.

What Scripture teaches

"The Spirit helps us in our weakness." "Cast all your anxiety on Him, because He cares for you." "Plans fail for lack of counsel, but with many advisers they succeed." Some memory problems are treatable or manageable, such as those from sleep problems, medications, depression, thyroid, vitamin deficiencies, or stress, and even progressive conditions can be eased with support, safety planning, and care. Get evaluated. Nothing can be done is rarely the truth. Even if the mind fades, God's hold on you does not: "You hold my right hand" (Psalm 73:23).

> *"Yet I am always with You; You hold my right hand"* (Psalm 73:23).

> "Cast all your anxiety on Him, because He cares for you" (1 Peter 5:7).

> "Plans fail for lack of counsel, but with many advisers they succeed" (Proverbs 15:22).

> "Even to your old age, I will be the same, and I will bear you up when you turn gray. I have made you, and I will carry you; I will sustain you and deliver you" (Isaiah 46:4).

> "Do not fear, for I am with you; do not be afraid, for I am your God. I will strengthen you; I will surely help you; I will uphold you with My right hand of righteousness" (Isaiah 41:10).

Common self-statements

- My mind is disappearing.
- There is no hope.
- It is only going to get worse.
- Why get tested?
- I cannot stop it.
- I will be a burden.

Common logical errors

- All-or-nothing thinking: Believing my mind is either fine or gone.
- Fortune telling: Predicting rapid decline.
- Emotional reasoning: Feeling afraid and concluding there is nothing to do.
- Catastrophizing: Calling myself hopeless.

Challenging questions

- What exactly have I noticed?
- Have I been evaluated by a doctor?
- What treatable causes could be checked?
- What helps me function better now?

- Who can help me plan and keep me safe?
- What does Scripture say about God's hold on me?

Truth summary

> I will get evaluated, use every help available, and plan with those I trust. Even if my mind changes, God's hold on me does not. Nothing is too hard for His care.

Songs that speak truth to this belief

Just Be Held — Casting Crowns
God's care remains when control, strength, or explanations run out.

Praise You in This Storm — Casting Crowns featuring Phil Wickham
Suffering and tears do not establish that God is absent or uncaring.

Living Hope — Phil Wickham
Christ's resurrection and forgiveness provide hope beyond sin and death.

Blessed Assurance — Larry Ford and Lillie Knauls with Gaither
This classic hymn celebrates belonging to Christ and resting in His salvation.

Each morning ask: "If I truly believed God's truth instead of this lie, how would I think, speak, and act today?"

My Plan for Replacing "I'm losing my mind, and nothing can be done"

✦ ✦ ✦

Read through each section and check the one that fits you best. If none of them fit, write your own. One choice per section is enough. A truth you choose for yourself will stick better than one handed to you.

Name: _____ Date started: _____

1 How strongly do I believe the lie?

Rate it now so you can see your progress later.

"I'm losing my mind, and nothing can be done." I believe this _____ % (0 = not at all, 100 = completely)

2 My best question

The one question I will ask myself every time the lie shows up.

- ☐ What exactly have I noticed?
- ☐ Have I been evaluated by a doctor?
- ☐ What treatable causes could be checked?
- ☐ What helps me function better now?
- ☐ Who can help me plan and keep me safe?
- ☐ What does Scripture say about God's hold on me?

My own question: _____

3 My replacement truth

The statement I will say to myself instead of the lie.

- ☐ God holds my right hand.
- ☐ He cares for me.
- ☐ He will carry me.
- ☐ Many advisers bring success.
- ☐ There may be help available.
- ☐ I am not alone.

In my own words: _____

4 My Scripture

The verse that speaks most directly to me. This is the one I will memorize.

- ☐ Psalm 73:23
  "Yet I am always with You; You hold my right hand."
- ☐ 1 Peter 5:7
  "Cast all your anxiety on Him, because He cares for you."
- ☐ Proverbs 15:22
  "Plans fail for lack of counsel, but with many advisers they succeed."

Practicing the Truth

5 My practice plan

Everyone does the first four. Then pick one or two extra tools.

EVERYONE DOES THESE

- [ ] Make my Truth Card (below). Carry it and read it at least three times a day.
- [ ] Memorize my Scripture from Step 4.
- [ ] Listen to one song each day from "Songs that speak truth to this belief" on my card, and fill in my song journal (below).
- [ ] Set reminders to silently repeat my truth. Check one or more:
  - ☐ A buzz: my watch or phone vibrates every _____ minutes
  - ☐ An everyday event: every time I _____
  - ☐ A visual reminder: something I will see often, such as a sticky note on my mirror, my truth as the background picture on my phone, or a note on my car dashboard.

PICK ONE OR TWO THAT FIT ME

- [ ] Seeking help: Each month, note one step taken: an appointment, a plan, or a conversation.
- [ ] My name in Scripture: Write a personal reminder based on my verse and read it aloud. Keep this application separate from the Bible quotation.

  For example, Psalm 73:23 becomes: "Sarah can write: "God holds my right hand.""
- [ ] Gratitude journal: Each night, write three things I thank God for.
- [ ] Truth recording: Record my own voice reading my Truth Card and verse, and listen in the car or on a walk.
- [ ] Reading: The "Fear" topic in Pearls.
- [ ] Listening: The Overcoming Anxiety audio by Dr. Brian Campbell. Tap to play.

6 My action step this week

Do one thing that tests the lie in real life.

These cards support emotional and spiritual care and do not replace medical care. Follow your doctor's advice about treatment and medication, and choose steps that are safe for your body. In an emergency call 911; for thoughts of self-harm call or text 988 (U.S.).

- [ ] Write what you notice. Note dates and examples.
- [ ] See your doctor. Ask about causes and tests.
- [ ] Involve family. Share your concerns.
- [ ] Use supports. Calendar, labels, routines.
